

12TH ANNUAL INTERNATIONAL LEFT ATRIAL APPENDAGE OCCLUSION (LAAO) SUMMIT

APRIL 28, 2023 - FRANKFURT, GERMANY
Steigenberger Airport Hotel

SUMMIT AGENDA

SESSION	START	TOPIC	PRESENTER	CITY & COUNTRY
	8:00	Welcome & meeting objectives		
WHAT IS NEW?	8:10	What is new? - Moderators: Réda Ibrahim, Sergio Berti		
	8:10	Trends and recent data for LAA occlusion therapies - what happened in the last 18 months	Boris Schmidt	Frankfurt, Germany
	8:22	LAA occlusion device design: selection and anatomic challenges	Réda Ibrahim	Montréal, Canada
	8:34	Stroke severity in AF patients - LAA occlusion vs NOACs	Adel Aminian	Charleroi, Belgium
	8:46	Today's clinical reality; selecting the optimal post implant pharmacological therapy	Joëlle Kefer	Brussels, Belgium
	8:58	Leaks or DRT - which is the lesser of both evils?	Xavier Freixa	Barcelona, Spain
	9:10	Safety profile of minimal anti-thrombotic therapy in concomitant AF ablation & LAAO procedures	Prapa Kanagaratnam	London, UK
	9:22	Panel discussion		
	9:45	Break		
ANATOMY & IMAGING	10:10	Anatomy & Imaging - Moderators: Thorsten Lewalter, Stephan Von Bardeleben		
	10:10	Understanding LAA anatomies - a first look might be deceiving	Andrew Cook	London, UK
	10:22	Do we need CT to really understand the anatomy?	Christoph Hammerstingl	Cologne, Germany
	10:34	How to: ICE guidance for LAA occlusion. Will 4D make a difference?	DJ Lakkireddy	Kansas City, USA (remote)
	10:46	Imaging: future promises and today's realities	Nina Wunderlich	Langen, Germany
	10:58	Panel discussion		
	11:10	Interactive discussion with participants	Thorsten Lewalter, Jens Erik Nielsen-Kudsk, Giuseppe Tarantini	Munich, Germany Aarhus, Denmark Padua, Italy
LIVE	11:40	Live		
	11:40	Live case	Ignacio Cruz	Salamanca, Spain
	12:20	Lunch		
TIPS & TRICKS	13:20	Tips & Tricks - Moderators: Alexander Ghanem, Philippe Garot		
	13:20	Not all leaks are the same - peri-device leak is not intra-device leak - impact on patient management	Apostolos Tzikas	Thessaloniki, Greece
	13:32	Management of complications of LAA occlusion procedures (embolization, effusions, groin management)	Jacqueline Saw	Vancouver, Canada
	13:44	How to make the most challenging cases a successful implant	Ole de Backer	Copenhagen, Denmark
	13:56	The great Hildick & Smith debate: CT or no-CT? That's the question.	David Hildick-Smith	Brighton, UK
	14:08	Panel discussion		
LIVE	14:20	Live - Moderators: Michael Joner, Claudio Tondo		
	14:20	Live case	Boris Schmidt, Julian Chun	Frankfurt, Germany
PROSPECTIVES ON PATIENT INDICATIONS	15:05	Perspectives on Patient Indications - Moderators: Michael Joner, Claudio Tondo		
	15:05	Leap or lag: left atrial appendage occlusion and guidelines	John Camm	London, UK
	15:20	Potential indications for LAA occlusion in neurological patients	Karl Georg Häusler	Würzburg, Germany
	15:35	Future perspectives on clinical evidence gaps and future needs	Thorsten Lewalter	Munich, Germany
	15:45	Wrap up and closing remarks	Thorsten Lewalter, Réda Ibrahim	Munich, Germany Montréal, Canada
	16:00	Adjourn - airport departures
